# Carlo Acutis Catholic Primary School Newsletter

*Give Generously to God and Others*

Dear Parents and Guardians,

## School Building Update - November 2024

We're excited to share the latest progress on our new school building, which is rapidly taking shape ahead of the new school year.

The joinery installation is now complete, with beautifully crafted cabinetry and fixtures adding a polished touch to the interior. The team has also finished the interior painting, transforming the space with bright, welcoming colours that create an inspiring environment for both learning and creativity. Flooring is currently being laid, adding the finishing touch to the school's interior spaces. With all interior work on track for completion before Christmas, we're on course for a smooth transition into the New Year. The final interior finishing touches, including touch-ups and final details, will be completed over the next few weeks. Additionally, the exterior landscape works will take place now through January to ensure the grounds are looking their best for the opening.

Everything is set for a grand opening on Monday, 3rd February, when we'll be ready to welcome all our new families and staff to this beautiful, state-of-the-art school. It's shaping up to be an inspiring space for our students to learn, grow, and thrive. Stay tuned for more updates as we get closer to the big day!
